## A Quick Summary of Parking Regulations

Bloomsburg University provides parking for eligible students, faculty, staff, and visitors. All vehicles must be registered with the University Police. Metered parking is available at the Chestnut Street Lot, along Second Street between Elwell Hall and the Scranton Commons, the University Store Lot and at the Recreation Center. Parking areas shown on the University parking map, are identified by color codes. Students, faculty, and staff are issued permits in accordance with the color-coded system.

**Parking lot signage supersedes campus parking map** — Parking on University owned or leased property is at the driver's own risk. The University assumes no responsibility for damages or theft.

If you're an eligible student, you must register your vehicle online at [www.thepermitsstore.com](http://www.thepermitsstore.com). Faculty and staff can register with University Police from 8 a.m. to 4:00 p.m. Monday through Friday. You'll need your vehicle registration card and driver's license. Students living outside an established perimeter around the University are eligible to park on campus. See map at the University Police Dept. for a detailed perimeter.

Students with 60 or more earned credit hours park in lots shown in black; those with 59 or less credit hours must park in designated lots shown as purple on the map.

Resident hall students with 60 or more credit hours can register a vehicle and park in the First Street (Green) Lot. Students with 59 or less credits can register a vehicle and park in the Blue Lot. There is a parking fee of \$75 per semester for each lot.

Students residing in Mt. Olympus or Montgomery Apts. can register a vehicle and park in designated spaces located near each apartment complex. These lots require a parking fee of \$75 per semester.

If you're a visitor to campus, you must obtain a visitor's parking hangtag and display it in your vehicle. Visitors may park in any legally lined area on campus. Permits can be obtained in the following buildings: Carver Hall, Buckingham Maintenance Center and University Police. If you're visiting the Admissions Office, Athletic Department, Speech and Hearing Clinic, or the Reading Center visitor permits can be obtained from those departments for their specific areas. If you know whom you're visiting, you may have a visitor's hangtag mailed to you in advance. Free round trip shuttle service is available between the upper campus and lower campus.

If you're an overnight guest of a student, you must get a visitor's permit at the University Police Dept. and park in the resident student parking First Street (Green) lot. Parking is permitted only in lined spaces, in the decal/hangtag designated area. Parking on the grass is prohibited unless directed by University Police.

Parking is not allowed on University property between 2 a.m. and 6 a.m., except for the resident student lots, Montgomery Place Apartments, Mt. Olympus Apartments and Kile Apartments. Parking in these lots requires a special hangtag for the specific lot or a visitor pass.

Parking in some areas of campus is restricted for resident directors, the Community Government Association and University vehicles. Handicapped parking spaces are located throughout campus. Cars parked illegally in restricted areas can be towed at the operator's expense. The operator can be fined.
