1. Choose the desired Career and Catalog Year. Catalog year will determine the degree requirements processed in the audit report based upon the effective date of the requirements. For example, if you choose the Catalog Year of Fall 2009 and Biology BS as the Area of Study the audit will process the academic requirements that were in place for Biology BS in that term.
2. Choose the desired Program, Area of Study (Major) and Concentration (Track if applicable).
3. Submit request.
