

Guidelines for Outside TST Reads

The SHC may also read TSTs administered by an outside provider.

This service will not be provided without the following documentation:

1. Date and time of TST administration.
 2. Arm on which the test was placed
 3. Signature of the provider who administered the TST
- The student may hand carry or have the information faxed to the SHC at (570-389-3417).
 - The student must make a nurse appointment at (570-389-4451) for the TST read.

Any questions, please contact the SHC at 570-389-4451.
