## Twelve tips to avoid crime

- Do not prop open outside building doors. They are locked for your protection.

- Always lock your car doors, even when driving. Have your keys in hand as you approach your car and look inside the car before you open the door.

- Don't walk alone at night unless absolutely necessary. Escort service is available, call 570-389-5000. If you must walk alone, walk with confidence and observe your surroundings. If you believe someone is following you cross the street, get to a populated area or emergency phone and call university police.

- Walk where there is plenty of light and traffic.

- Do not leave your keys and or University I.D. in your coat when you are not wearing it.

- Keep books, clothing and personal belongings in a secure place or keep it in sight. Don't leave clothing unattended in a washer or dryer.

- Do not keep your room keys and University I.D. on the same key ring. If found by someone, they now know who you are and have access to your dorm and room.

- Keep room doors locked at all times, even when going away for a short period of time.

- Mark all belongings, including books, for tracking purposes. Engrave your driver's license number on items of value. Engravers can be borrowed from the University Police Department.

- Keep record of all credit card and calling card numbers.

- When a fire alarm is activated in a building, evacuate immediately. Take your keys and University I.D., coat, purse/wallet with you. When exiting the room close the door behind you. You may not get back in your building immediately.

- Report all crimes and criminal activities to the University Police at 570-389-4168.

Subcategories are a breakdown of some main category offenses and are included in the main category statistics. The symbol --- indicates the offense was carried in the main offense category only for that year.
