

Safety on Campus

2007

A copy of the Bloomsburg University Annual Security Report can be obtained at the University Police Department, the university office of Human Resources & Labor Relations and the university Admissions Office or by accessing the following web site, <http://departments.bloomu.edu/police/statspolicies.html>. This report includes statistics for the previous three years concerning reported crimes that occurred on-campus; in certain off-campus buildings or property owned or controlled by Bloomsburg University or student organizations that are officially recognized by the institution; and on public property within, or immediately adjacent to and accessible, from the campus. The report also includes institutional policies concerning campus security, such as policies concerning sexual assault, and other matters.

To keep the university community informed of personal safety issues on campus, each year Bloomsburg University's safety and security policy statements and statistics are published and widely distributed. This is in compliance with the federal Crime Awareness and Campus Security Act of 1990 and Pennsylvania Act 73 of 1988.

For the convenience of the university community, a map of campus shuttle bus stops and emergency call boxes has also been provided along with crime prevention and personal safety tips.

To report a medical emergency, call University Police at 911. **To report a fire or police emergency**, call University Police at 389-4168. Deaf and hearing impaired persons can reach University Police through a telephone device for the deaf (TDD) at 570-389-4172.

About the University Police

The University Safety and Police Department has 22 full-time and 6 part-time employees. Of the full-time employees 18 are armed/commissioned police officers. The officers provide "24/7" police coverage for the campus. University Police have full authority to enforce Commonwealth laws.

Emergency call boxes in strategic locations throughout campus provide a direct link to University Police. Call boxes are red-white-blue in color and can also be identified by an overhead blue light. Use them in an emergency, not just to report on-going criminal activity.

Getting the word out

- News is conveyed by the University News Network (UNN) bulletin boards in residence halls

and other strategic locations and the campus computer network, which includes the university web page www.bloomu.edu/today.

- Be Safe Hotline (570-389-2723) is a recorded message that gives callers basic information about an incident and information to help safeguard themselves.

Anxious about walking alone at night?

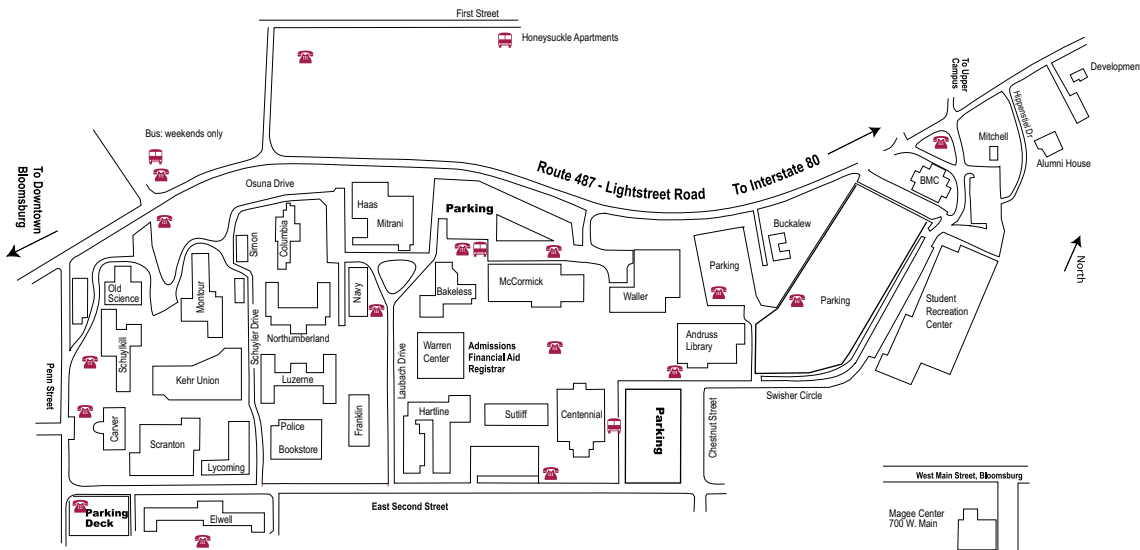

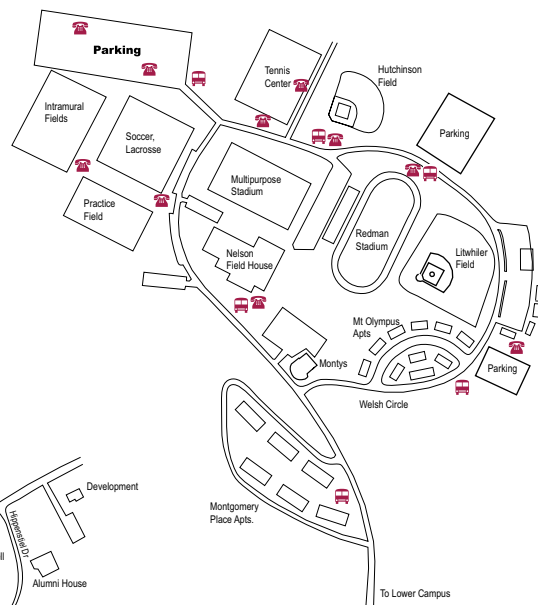

Call 570-389-5000 to get an escort. Student escorts are available from 7 p.m. to 1 a.m. when classes are in session for the Fall and Spring semesters. Special phones for this service are located in campus buildings. University Police supervise the escort services.

A University Shuttle Bus Service transports students, faculty and staff between lower and upper campus. Service is provided from 7:30 a.m. to 12 a.m. (midnight) with limited hours on weekends. Shuttle service is available to designated student housing downtown. Schedules of departure and arrival times are available.

Fourteen tips to avoid crime

- Do not prop open outside building doors. They are locked for your protection.
- Always lock your car doors, even when driving. Have your keys in hand as you approach your car and look inside the car before you open the door.
- Don't walk alone at night unless absolutely necessary. Escort service is available, call 570-389-5000. If you must walk alone, walk with confidence and observe your surroundings. If you believe someone is following you cross the street, get to a populated area or emergency phone and call university police.
- Walk where there is plenty of light and traffic.
- Do not leave your keys and or University I.D. in your coat when you are not wearing it.
- Keep books, clothing and personal belongings in a secure place or keep it in sight. Don't leave clothing unattended in a washer or dryer.
- Do not keep your room keys and University I.D. on the same key ring. If found by someone, they now know who you are and have access to your dorm and room.
- Keep room doors locked at all times, even when going away for a short period of time.
- Mark all belongings, including books, for tracking purposes. Engrave your driver's license number on items of value. Engravers can be borrowed from the University Police Department.
- Keep record of all credit card and calling card numbers.
- When a fire alarm is activated in a building, evacuate immediately. Take your keys and University I.D., coat, purse/wallet with you. When exiting the room close the door behind you. You may not get back in your building immediately.
- Report all crimes and criminal activities to the University Police at 570-389-4168.
- Do not allow anyone to "tailgate" after you when entering your dorm. The card access system is for your protection as well as all residence of every dorm. Tailgating circumvents a vital tool for students' safety.
