## WELCOME

Dear Friends,

Please join us on October 4th to celebrate the accomplishments of the student-athletes and support them in their efforts to win a PSAC championship in 2010. Last year's tournament attracted 112 participants; we are hoping to surpass that mark this fall. I encourage you to invite your friends, clients and family to join us with the promise that it will be an unforgettable day.

The 2010 season will be a special year for Huskies baseball. With the departure of only one player from the starting nine along with the addition of talented newcomers, the team is positioned to have an extraordinary year. The players have been working very hard throughout the summer months to develop their skills in preparation for the 2010 campaign. The University has made a substantial investment in the program with sweeping renovations to Litwhiler Field. In addition to new dugouts, brick backstop and fencing, the field will have elevated seating behind home plate as well as sidewalks and access ramps.

Our goal is to provide our players to have a first-class athletic experience they will never forget, with your continued assistance we can make that happen. I look forward to seeing you at Rolling Pines on October 4.

Thank you ,  
Mike Collins
