Join us today in our drive to play for Conference Championships and on a bigger stage, a National Championship! Become a "Top 100" contributor and an elite member of "The Golden Helmet Alliance"

Our goal is to establish ownership of 100 helmets. We are asking you to make a three year commitment of \$1,000 a year. You can pledge this individually or take on a team concept up to four team member's to get to your \$1,000 pledge. Our campaign is to achieve a "Top 100" elite group. When we reach our goal of 100 helmets we will have raised \$100,000 a year and \$300,000 over three years. Our scholarship base **must** increase to maintain our "Tradition of Excellence" in the PSAC and to raise the bar for the Huskies on a national level!
