

American Sign Language (ASL) / English Interpreting

Bachelor of Science (BS)

This degree map is a SAMPLE only. It is based on the 2023-24 Academic Catalog and is subject to change. Students should meet with their academic advisor and use Degree Works to monitor their individual progress toward degree completion. While the time it takes to earn a degree will vary based on several factors including summer/winter enrollment, dual enrollment and the number of courses successfully completed, we recommend taking a minimum of 15 credits each fall and spring semester. Please note, some courses outlined in the first year may be dependent on a placement exam or other demonstrated proficiency such as college-level coursework.

Sample 4-Year Plan

First Year			
Fall Courses	Credits	Spring Courses	Credits
ASLI 101 ASL 1: Interconnections: F	3	ASLI 102 ASL 2	3
