Husky Gold vs. FLEX

FLEX is a dedicated fund used in the dining services on campus. Depositing into the FLEX account allows students to set aside funds specifically for meals and snacks reducing the need to tightly manage their Husky Gold account for fear of not having enough money for food.

Check your balance!

You can check your balance 24 hours a day by logging onto the Husky Gold Website at <http://cardcenter.bloomu.edu> and looking at your "Accounts Summary" tab.

Lost, stolen or damaged?

If your Bloomsburg University ID card stops working because of normal wear-and-tear, return it to the Card Center and receive a replacement card for free. However, if the damage is not deemed to be from normal usage, is broken in any way, or if the card was lost or stolen*, a \$25.00 replacement fee applies.

If your ID card is lost or stolen, go to the "Card Services" section of the Husky Gold Website at <http://cardcenter.bloomu.edu> and click on "Report Deactivate Card" to freeze your account until you find your card or get a replacement.

* Bloomsburg University and the Bloomsburg University Card center and its employees are not liable for any purchases or unauthorized access resulting from lost or stolen Bloomsburg University ID cards.
