Dear Dr. Bentley-Sassaman:

Congratulations! At its June 2019 meeting, the Commission on Collegiate Interpreter Education (CCIE) voted to remove the stipulations and award accreditation to the Bachelor of Science Degree in American Sign Language/English Interpreting at Bloomsburg University.

As mentioned in the earlier Accreditation with Stipulations letter, the accreditation is effective November 14, 2018 and continues until November 14, 2028, assuming that all administrative requirements are met. Those requirements are:

1. Submission of a report every two years, beginning June of 2020. This report is to contain a summary of activities and demonstration that the Program remains in compliance with the CCIE Standards. You will receive a reminder and a format to follow 60 days prior to the due date of the report.
2. Submission of a report within 30 days of significant changes in program structure, staffing or curriculum, and
3. Payment of the Annual Sustaining Fee of \$800, due in February each year beginning in 2012.

Thank you for undertaking this arduous process. I trust it was and will be beneficial to your program and to the institution.

Sincerely,

Lisa Godfrey, Ed.D. CI and CT, ED:K-12, ASLTA-Professional
