### **Chargeback Revenue and Expense**

The following object codes should only be used for chargeback activity between departments. The department charging out for services, equipment, supplies, etc. will recognize revenue in accounts starting with 83x. The expense to the department receiving the charge will be recorded in accounts starting with 82x. For all chargeback entries, the total value in accounts 83xxxx must always equal the total value in accounts 82xxxx.

**820 Chargeback Expense** - Expenses charged to a department by another campus department that originally incurred the expenses. For example, a department uses services provided by the duplicating department, duplicating will then charge the department who used their services via a chargeback entry to 820xxx. This is recognized as an expense by the department who used the services.

820100	Printing/Duplicating Chargeback Expense	Chargeback expense for printing and duplicating services performed by University Duplicating Department.
820110	Printing Only Chargeback Expense	Chargeback expense for printing of campus event signs.
