## Entrepreneurial Innovation Minor Requirements

Entrepreneurial Innovation will provide students with the creative and practical knowledge and experience you need to become a successful business owner or valued asset in corporate, governmental, and non-profit organizations across a variety of fields. Our program is designed to hone students' abilities to identify problems and opportunities and to develop and launch innovative solutions for products, services, and processes that significantly impact the operation of entrepreneurial ventures. Graduates from our program are equipped with the essential skills needed to prosper in the increasingly global market of the 21<sup>st</sup> century: creativity, problem-solving, and ambition.
