

## Welcome to HuskySuccess!

HuskySuccess provides you with a central location to connect to the people and services that can help you finish what you start – all accessible from the side navigation menu of your HuskySuccess [Home](#) page.

Log in to your HuskySuccess Home page at <https://www.bloomu.edu/huskysuccess>.

The navigation menu  includes access to a customizable profile and personalized channels that make it easy to schedule the dedicated time you need with your instructors, advisors, or counselors. HuskySuccess can also help you manage the steps you need to take to stay on track and meet your goals.

### Here are three great ways to get started:

#### 1. Set up your profile

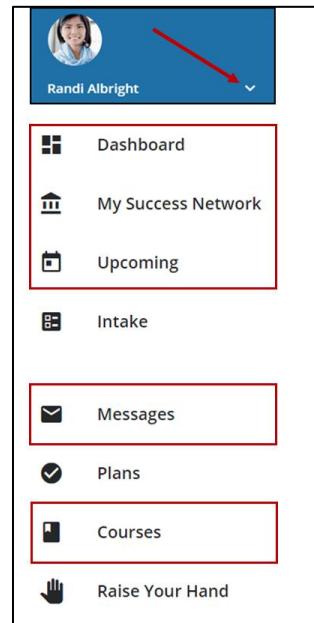

Make it easier for your instructors and advisors to get to know you and stay in contact.

#### 2. Connect to people and services that can help you

Use your personalized [My Success Network](#) and [Courses](#) channels for quick access to contact information, appointment scheduling, and course help.

#### 3. Stay on track

Use the [Upcoming](#) tab to keep track of upcoming appointments, and your personalized [Dashboard](#) and [Messages](#) to see notifications and recommendations from your instructors.

### Not sure what you need?

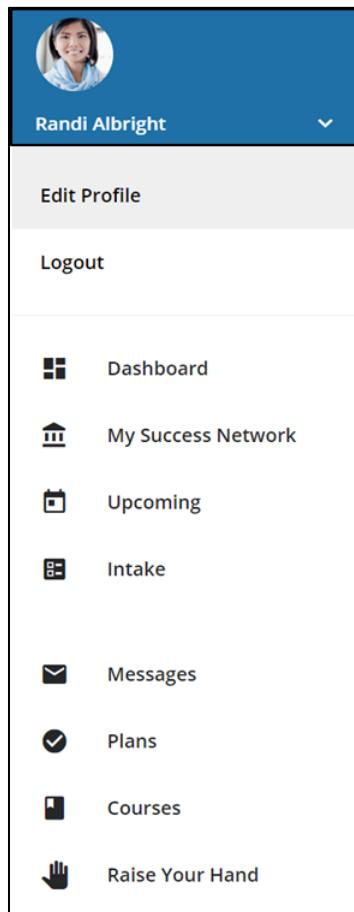

Browse the [Services Catalog](#) or use the [Raise Your Hand](#) option if you can't find what you're looking for through your personalized channels.

## Set up your Profile

Begin by setting up your student profile. Your profile lets instructors and advisors know who you are and how to contact you. It also gives you control over how you wish to receive emails.

1. Open the navigation menu by clicking on the “hamburger menu” at the top left, and then click your name, and then **Edit Profile** to open your profile.

From here, you can customize your profile by setting appointment reminders and adding an alternate email address for receiving HuskySuccess emails.

## Connect to people and services that can help you

The **My Success Network** and **Courses** channels display the people and services that are available to help you succeed. Here you can find key contact information as well as links to student service web sites and online appointment scheduling.

## Messages

Select **Messages** to display messages sent to you in HuskySuccess. Click on any message in the list to display the full contents of that message.

The screenshot shows a 'Messages' interface. At the top, there's a header with three horizontal bars and the word 'Messages'. Below the header is a search bar with a mail icon labeled 'Messages' and a dropdown menu set to 'Past Week'. A single message card is displayed, showing an envelope icon, the text '[Tenant 4] Message from Auric Goldfinger - Check In', the name 'Auric Goldfinger', and the time '3:51 pm'.

## My Success Network

Select **My Success Network** from the navigation menu to display your personalized network. This channel lists the people and resources that are available to assist you. For each person or service listed, you will find contact information, supporting websites, and, if online scheduling is enabled, a link to **Schedule Appointment**. If a service includes a waiting room for walk-in appointments, you can click the "Waiting Room" link to find out how many students are currently in line.

The services that are most relevant to you are displayed first. Select **Show Other Services** at the bottom of the page to see additional services.

The screenshot shows the 'My Success Network' page. At the top, it says 'How can we help?'. Below that is a 'Your Connections' section with two columns of user profiles. The left column includes 'Yasmin Gold' (Mother of Dragons), 'Paul Jackson' (Instructor), and 'Kaily Maze' (General Advisor). The right column includes 'Auric Goldfinger' (King of the North), 'Grant Jordan' (TA), and 'Justin Withers' (Instructor). Below the connections is a 'Your Services' section with three service cards: 'Advising Center', 'Freshman Seminar Advising', and 'Tutoring and Learning Center'.

## Courses

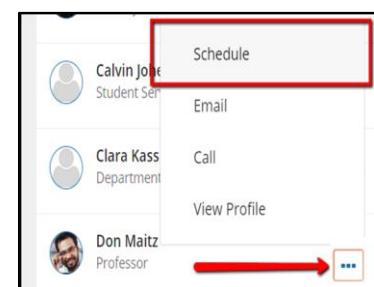

Select **Courses** from the side navigation menu to display information about courses you are enrolled in as well as contacts and available support related to each. Like the **My Success Network** channel, it is personalized to show the people and services specific to the courses you are taking, and gives you the ability to **Schedule Appointment** or **Request Help** related to a course.

1. Click the Help icon (💡) link in the upper, right corner next to any of the courses in which you are currently enrolled.
2. This will bring up the **Raise Your Hand** form. Select the **Type** of help needed from the drop-down menu and give specific **Details** on how staff can assist you.
3. Click the **Submit** button to submit your request when you are finished.

## Make an Appointment

1. From the **My Success Network**, click the three dots beside the name of the person you want to schedule an appointment with, and then select **Schedule**.

For Services where appointments are available, select **Schedule** for the desired service.

Or, from the **Courses** channel, select **Schedule Appointment** below the contact information for the desired person or service.
