

MANFIELD UNIVERSITY

Class of

**2016**

**Outcomes  
Summary**

---

Associates & Bachelor Degree Recipients

**Undergraduate**

Career Outcomes

Success Rate

**96%**

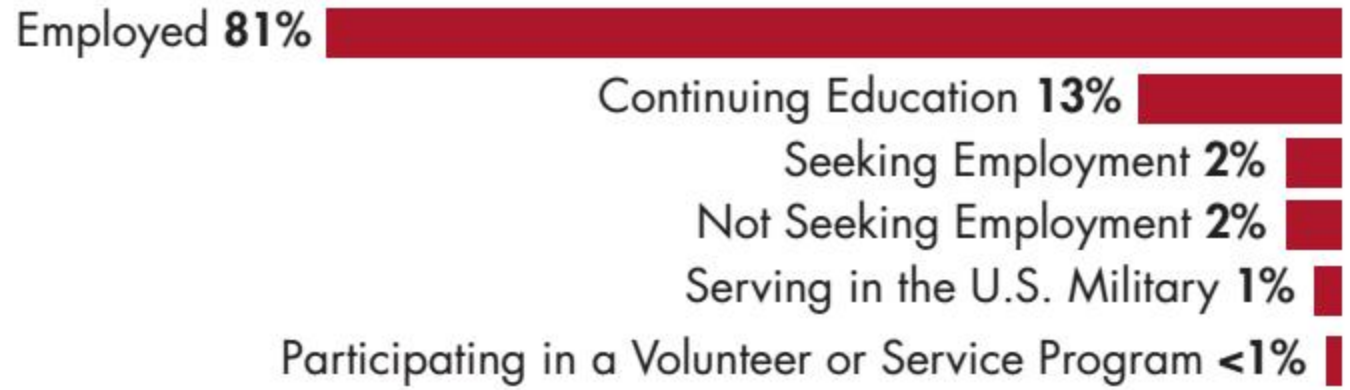

# Undergraduate Class of 2016

## Career Outcomes Rate

The Class of 2016 was surveyed regarding their post-graduation destinations 3-9 months after degree completion.

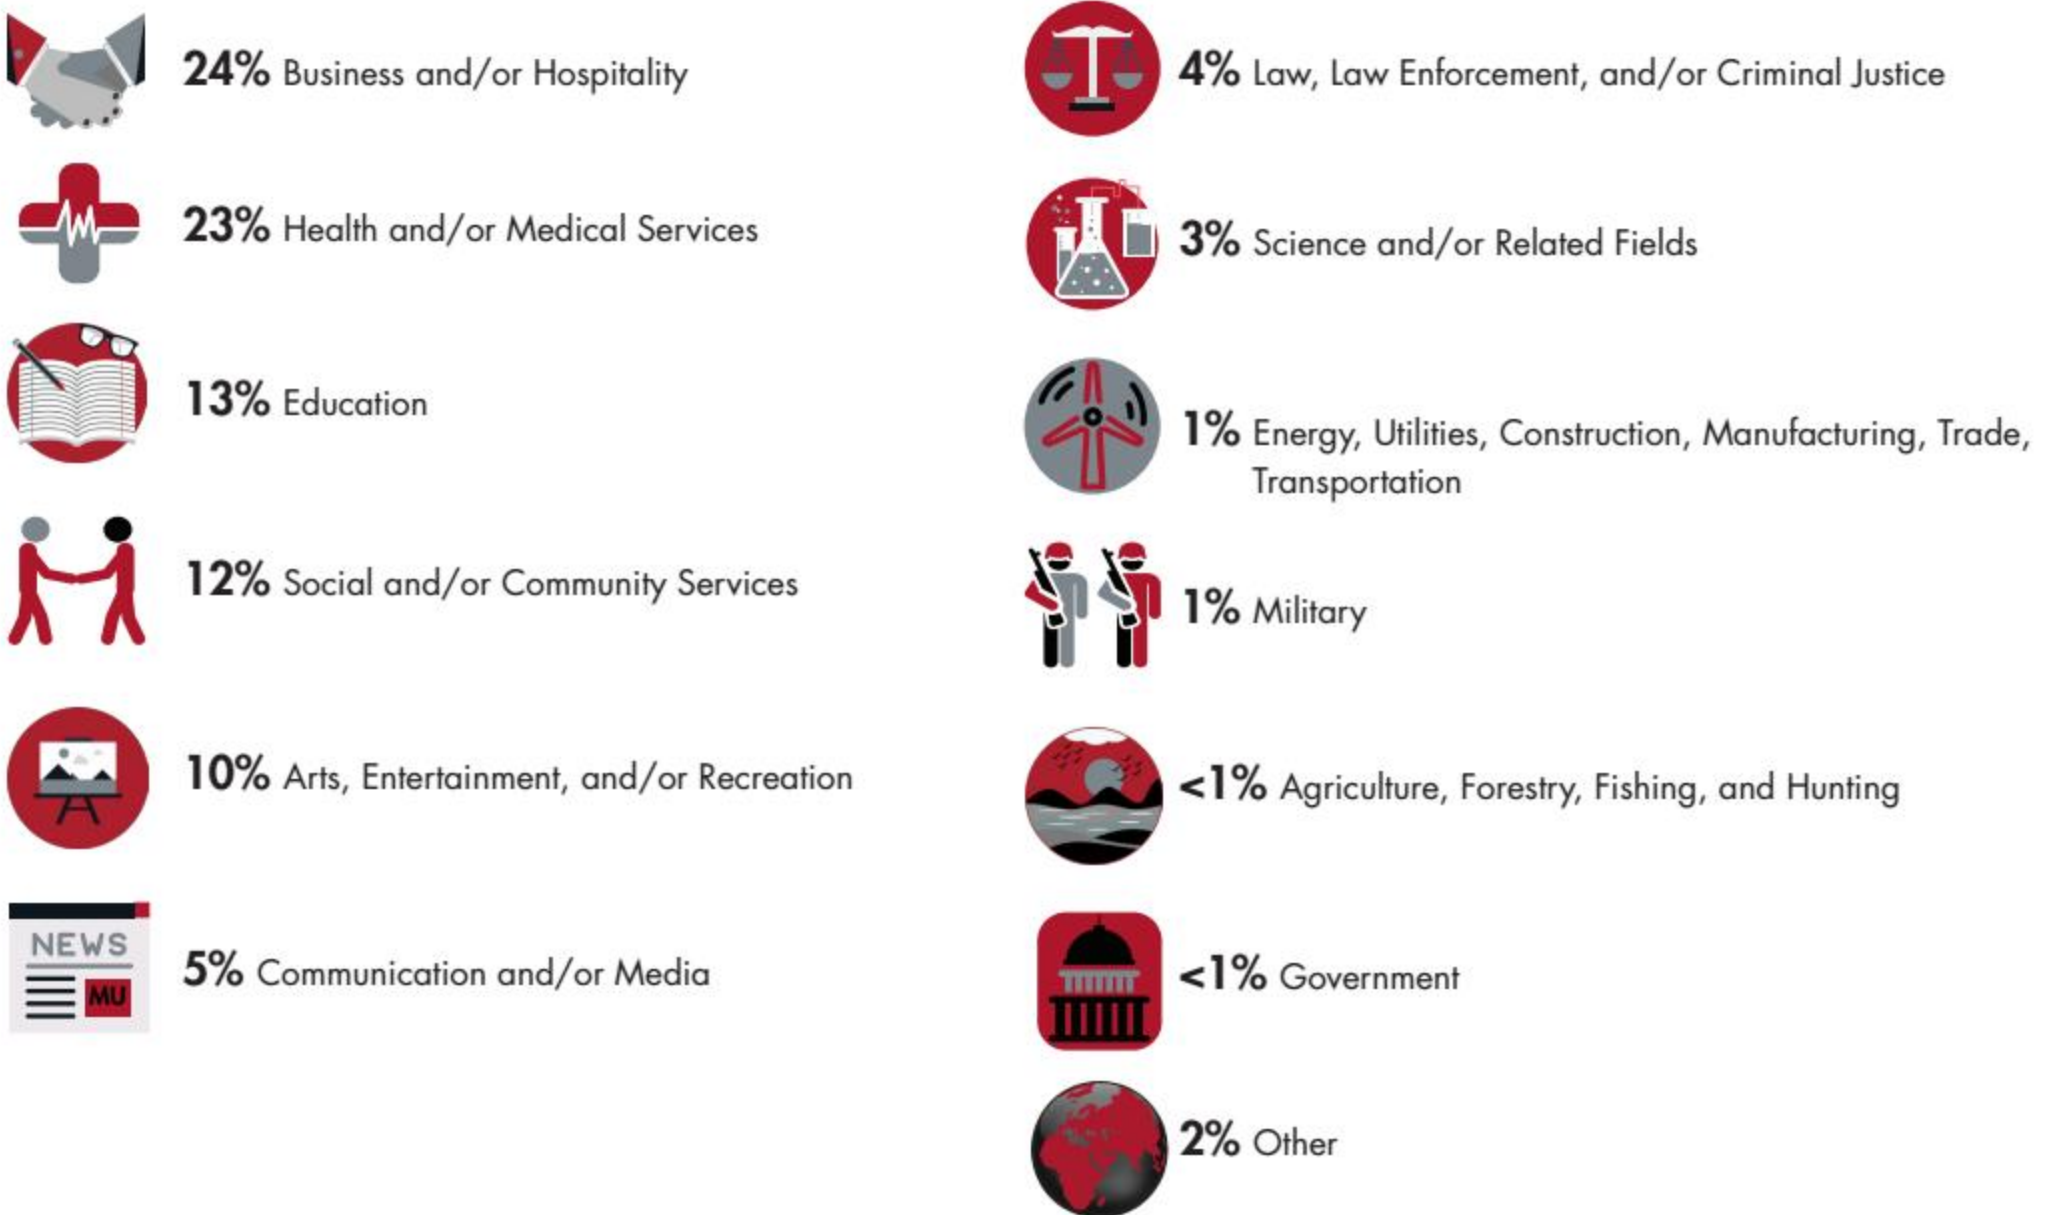

# 96%

Career Outcomes Success Rate

Note: Career Outcomes Success Rate includes part and full-time employment, continuing education, military service, and volunteer service

## Employment by Industry Sector

## When job offer was accepted

Note: Overall Undergraduate Career Outcomes Knowledge Rate is 61%.

The knowledge rate is the percentage of graduates (Class of 2016) for whom the Career Center has reliable post-graduate information and/or information was gathered or obtained from faculty and/or public record. 490 surveys were distributed with a 20% survey response rate.

# Outcomes for the Class of 2016

## Career Success Rates by COLLEGE (employed, continuing education, military, volunteer)

---

## Career Success Rates by ACADEMIC DEPARTMENT (employed, continuing education, military, volunteer)

Note: Rates are contingent on survey responses and/or reasonably verifiable data.

# Employer Connections

Mountie Career  
Connection
