Sociology
Credits:**

ELECTIVE COURSES

[illegible]**Total Elective Credits:**

NOTES:

1 Core courses are required and students must earn a C or better (C minus is not acceptable).

GRAND TOTAL CREDITS (including Gen.Ed.):

- 2 Counts for General Education as well. To avoid double-counting credits, an X should be entered instead of credits here when the course is being used for General Education.
- 3 Eight sociology electives are required. No more than four can be at the 200 level. Since we only offer four 200 level courses, this is typically only an issue with transfer courses that are accepted as general sociology electives rather than as one of these four courses.
- 4 Due to faculty constraints, these courses are not typically available.
