   2. No interior bulletin board which is set aside for specialized information shall be used for posting of information other than that for which the bulletin board is intended to serve. General information may be posted only on bulletin boards which are designated for general information, or

Outdoor bulletin boards designated for the posting of materials are designed to provide a means to advertise campus events, publicize services for students, faculty, and staff, and to inform of on-campus and off-campus activities. Posting materials shall be placed only within the assigned area on each outdoor bulletin board but shall not be placed on top of existing current notices.

4. All postings shall be made of paper and affixed with masking tape or push pins only. Signs displayed on all campus bulletin boards are restricted to a maximum size of 17"x 23".
