ST-1 STEEL ORIGIN CERTIFICATION: PRIME CONTRACTOR

This form must be executed by the Prime Contractor and submitted to the CIS within 30 days from the date the Professional approves a GSC-23 listing a "steel product". No steel product may be delivered on-site unless DGS has received an ST form. A completed form is required for each type of steel product (e.g., beams, columns, stairways, etc.), from each supplier but not for each piece of steel product.
